

SHERLE WAGNER

Acanthus

The Acanthus Collection celebrates the timeless beauty of classical ornament, drawing inspiration from the intricate scrolls and leaf motifs of historic architecture. Richly detailed yet perfectly balanced, each piece honors the artistry of traditional craftsmanship while finding its place in a modern setting. Its sculptural forms become thoughtful details that elevate contemporary interiors with enduring elegance. Adorn using the Leaves or Empire handles with one Sherle Wagner's fifteen semi-precious stones and onyx.
